[Options For Senior America Corp.](#) is pleased to announce its selection as a *2016 Best in Home Care Award Winner* on SeniorAdvisor.com, the largest ratings and reviews site for senior care and services in North America.

Winners of the SeniorAdvisor.com Best of 2016 Awards represent the top tier of in-home care, assisted living, and other senior living providers, based on the online reviews written by seniors and their families. This exclusive designation places the winners in the top one percent of senior care providers according to those who matter most – the consumers.

The annual SeniorAdvisor.com Best of Awards, now in its second year, celebrates the best of the best in home care and senior living across the United States and Canada. Of the nearly 100,000 providers currently listed on SeniorAdvisor.com, just over 1,000 (1%) were recognized with this award. Options For Senior America is one of a very small select group of home care agency winners in North America and regularly receives highly positive reviews from their families like this one:

“The service provided by Options helped to ease our concerns about Mom’s living alone and gave us children more quality time to spend with our mother in her last months. Thank you for being there for mother and for us.”

Winners of the SeniorAdvisor.com Best of 2016 Awards are located all over the country and represent the top tier of in-home care, assisted living, and other senior living providers in the country. “We are grateful to be recognized with this award, and thank SeniorAdvisor.com for their continuous effort to provide a medium for feedback on this very important service that we offer our seniors” said Ramzi Rihani, President and CEO of Options For Senior America. Sam Rihani, Chief Operating Officer of Options For Senior America added, “This award gives us a sense of purpose for the work that we do, and is a direct recognition of the quality of service our staff and caregivers provide our seniors and their families”.

“Families are increasingly looking to online reviews to find out who truly delivers great care for our seniors, not just who claims to deliver great care,” said Eric Seifert, President of SeniorAdvisor.com. “Our SeniorAdvisor.com Awards program is all about celebrating the exceptional people who do just that. We’re honored to spread the word about these organizations whom families can entrust with the care of their senior loved ones”, added Seifert.

To qualify for inclusion in the Best of 2016 Awards, providers must have maintained an average overall rating of at least 4.5 stars while receiving three or more new reviews in 2015. Additional details and a complete list of award winners can be found on SeniorAdvisor.com.
